

RIVERINA **2026 JERSEYS**

ANNUAL SERVICE BULL SALE

WEDNESDAY 9TH SEPTEMBER, 12PM
873 OWAIRAKA VALLEY ROAD, TE AWAMUTU

RIVERINA JERSEYS 2020 ANNUAL SERVICE BULL SALE

VENDOR FOREWARD

Welcome back to Riverina Jerseys for our 3rd annual yearling service bull sale!

This year, our bulls on offer are a broad mix, including high index, polled, and overseas bred bulls. All bulls are reared and handled to the best of our abilities, which, like always, we are very proud of this year's offerings. Weights for sale bulls will be on Bidr prior to the sale. At Riverina, we milk 700 cows, split calving 150/550 to help reduce workloads and pressures in spring. We operate on a 440ha farm (390ha effective) and run the farm as a self-contained unit with all replacement heifers and further youngstock staying on farm. This means, in addition to heifers remaining on farm, 100x Jersey bull calves, as well as 100x Angus, black Simmental, Santa Gertrudis, Hereford, Kiwi Prime, and Changus BeefX calves are reared. As you can see, when we say we seem to use all sorts of genetics at Riverina, we aren't lying!

This year we purchased a Black Limousin bull which we have entered in the "Dairy Beef Progeny Test" scheme. His name is Mangatara Conan 2357V, and he is being marketed by GENZ (give Ben a call on 027 766 6668). Conan is homozygous black and homozygous polled, see the back of the catalogue for his ad.

Overall, it has been a relatively quiet on the bull front with no bulls selected by any AB companies. This disappointment was certainly overshadowed by Riverina Castro ET achieving No.1 on the Jersey RAS list in October. Currently, Castro is sitting 3rd on the Jersey list, and 5th on the all breeds list with a BW of 519 (as of 19.06.26). He is also still marketed by ST Genetics for \$22 per straw.

Cows Available for Viewing:

As per usual we will have a selection of cows available for viewing on the day- mainly dams (see the following page for the list of Dam numbers), granddams and family members of sale bulls, but also daughters of the five bulls we have being proofed this spring:

- Riverina Mac Chewbacca - CRV
- Riverina Bus Achilles ET - LLC
- Riverina LRT Riddick - LIC
- Riverina Urenuku - Matriarch
- Riverina Jesus - Matriarch

Additional Notes:

Like in previous years, bulls can stay on farm until required for mating. Additionally, "Coffee on Q" will be providing free lunch of burgers, chips, and baps - so make the most of it!

The Berry family would like to thank all bidders and buyers for attending this year's sale. This season marks the 100th continuous season that the Berry family have been milking Jersey cows, so lets make it a goodie!

BRED BY FARMERS FOR FARMERS

. Proven matriarch genetics, delivering the sires of tomorrow

Matriarch Genetics in conjunction with STgenetics NZ are proud to offer NZ farmers a strong lineup of Jersey sires for your 2026 mating season. At Matriarch, we believe in backing proven genetics and proven cow families over generations. CASTRO represents that commitment — producing sons from a sire we backed, from families that continue to deliver elite genetics generation after generation

Castro Daughter: Riverina Castro Jay 8-8

RIVERINA CASTRO – BW 519

RIVERINA 2020 JERSEYS ANNUAL SERVICE BULL SALE

AGENT FOREWORD

It is a year on since we held the last Riverina Annual bull sale and the demand for dairy stock continues to strengthen.

As stated last year there is an obvious return on using fully recorded jersey bulls over your dairy heifers rather than just bulls that lead to bobby calves.

The bulls this year are very well grown, weights will be available closer to sale time. They have superb temperament and boast very good figures to go with it. For sale there are bulls with BW's up to 421, Fertility BV's up to 8.5 and sons of cows with PW's up to 765.

The Riverina herd is farmed on a very hard farm. Walking long distances up steep hills is the normal for the Riverina herd so these bulls are bred to be hardy, therefore leaving very hardy progeny.

We hope to see you on the day where you can see how quiet and well grown the bulls are. If you get enough time we urge you to have a look around the Riverina cows that are on display and are confident you will be impressed. If you can't make it on the day please tune into BIDR and feel free to get in contact if you have any questions.

We wish you all the best with your purchases,
Luke Gilbert and Mike McKenzie - Carrfields Livestock Ltd.

RIVERINA 2026 JERSEYS ANNUAL SERVICE BULL SALE

TERMS & CONDITIONS OF SALE

CONDITIONS OF SALE

In accordance with the NZ Stock & Station Association Auction Terms and Conditions, the following general conditions apply to this auction where applicable.

MALE GUARANTEES

1. All bulls in this sale are covered by the respective AB companies IP rules, whether that is LIC, CRV, Matriarch, or Crescent Genetics.
2. No semen is to be collected from the bulls in this sale without written permission from the respective AB companies.
3. If semen is collected, Riverina Jerseys Ltd shall receive 30% of gross semen sales for any semen sold on all bulls sold in this sale.
4. The entry of any bull in this sale constitutes a guarantee by the Vendor that the purchase price, without interest expenses, costs, or damages shall be refunded if a bull is proven totally infertile of service.
5. If any bull entered in this sale does not possess a reasonable fertility, although not totally infertile, any dispute shall be settled by an arbitrator appointed by the auctioneers.
6. Any costs associated with delivery of returning bulls to the vendor are of the purchaser.
7. Any complaint must be lodged with the auctioneers before December 31, 2026.
10. Any claim or complaint to the auctioneers must be accompanied by a veterinary certificate.

GENERAL CONDITIONS

- **Delivery:** At the fall of the hammer, livestock remain the vendors responsibility until delivery is taken. When stock exit the gate and are in transit, they are now at the buyers risk.
- **Insurance:** If transit or annual insurance is required the purchaser is responsible to arrange.
- **Instructions:** Buyers must sign all dockets before leaving and have transport arranged.
- **Transfers:** Sellers are responsible for the completion of transfers. No buyer shall be entitled to withhold payments for the delay of transfer information.
- **Cattle for Export:** Breed Society must inspect as suitable for Export Certificates. The seller is responsible for the 15% commission payable on all cattle sold for export.
- **Payment terms:** Payment due 14 days after auction date.

DISCLAIMER: All details and descriptions as to stock referred to in this catalogue or otherwise provided by the auctioneer or any other company employee or agent ("sales information") have been supplied by the Seller and have not been independently verified by the selling companies. The selling companies, their employees, and agents make no representations or warranties or acknowledgement of any kind whatsoever in relation to any part of the sales information (including, but not limited to, the accuracy or completeness of details and descriptions of stock and other contents). Buyers, advisers, and all other persons viewing or dealing with the stock must make their own assessment and judgement on the stock and sales information. The selling companies, its employees, and agents are not responsible or liable in any way whatsoever, whether in contract, tort (including negligence), or otherwise, to any person for any loss or damage whatsoever arising directly or indirectly from any information or representation included in or omitted from.

BUYING ONLINE?

- This sale will be held as a HYBRID ON-FARM auction on bidr (bidr.co.nz).
- There will be online bidding and a livestream of the sale for bidders.
- All online purchasers must register with bidr through an account with a bidr partner agency before sale day.
- For help with signing up or registering, contact the bidr team on 0800 TO BIDR (0800 86 2437) or email enquiries@bidr.co.nz

A bull that should be in an AB company.

Out of a very good Castro cow that we took embryos off. Same family as lot 34.

COMMENTS:

Mangatahara Conin 2357V represents a significant milestone in Limousin genetics as the first homozygous bull for both the black coat and polled genes. This means every calf born will inherit a black coat and be naturally polled, providing greater consistency and market appeal. Backed by elite figures, he ranks in the top 1% for Calving Ease, top 3% for Calf Birth Weight, top 4% for Gestation Length, top 15% for 600 Day Growth, top 2% for Carcass Weight and top 1% for Intramuscular Fat (IMF). Mangatahara Conin 2357V offers a unique combination of calving performance, growth and premium carcass quality, making him an outstanding choice for progressive beef-on-dairy.

GENEZ

Performance Genetics
for Beef on Dairy

GENEZ is proud to partner with Riverina Jersey to offer Mangatahara Conin 2357V, a breed-leading Limousin sire that reflects our commitment to bringing New Zealand farmers the very best performance beef genetics.

GENEZ provides access to an elite lineup of sires selected to deliver value from calving through to carcass performance. Mangatahara Conin 2357V is a standout example, combining industry-leading calving traits, growth and carcass quality in one exceptional package.

Browse the GENEZ Beef Catalogue to explore our full range of elite beef genetics and discover how we can add value to your breeding programme.
