

RAFFLES MILLING/FEED WHEAT

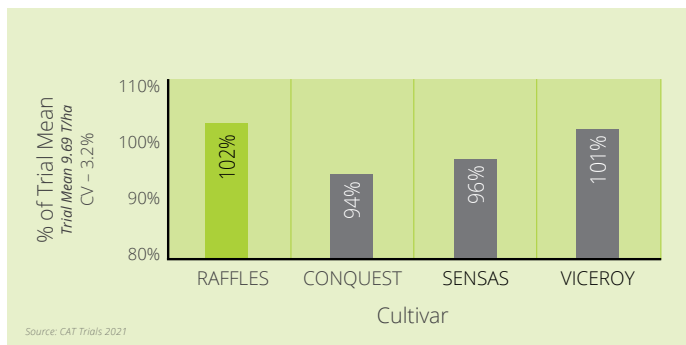

OUR MOST FLEXIBLE WHEAT VARIETY

DESCRIPTION

Raffles is one of the most flexible wheat varieties available. Raffles is a versatile high yielding variety which has proven to be reliable year in and year out. It has gristing qualities and is accepted by New Zealand mills. Suitable for following a winter feed crop, it produces large grain with heavy test weights.

- Raffles is an extremely reliable autumn and spring option that performs well every year.
- Above average resistance to Septoria.
- Versatile, high yielding variety.
