Conditions of sale

In accordance with the NZ Stock & Station Association Auction Terms and Conditions, the following general conditions apply to this auction where applicable

Female Guarantees.

1. Every female sold as in-calf is guaranteed in-calf – guarantee expires 28 days after auction date.
2. Any cow or heifer as sold as unmated is sold to guarantee to breed. Should the heifer or cow fail to produce a calf by December 2027 a full refund is due to the purchaser.
3. If a female is sold as unmated and the purchaser flush for embryo transfer either with or without success, all guarantees to breed become null and void.
4. If any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
5. Any female sold as in-calf but subsequently aborts the foetus after delivery is responsibility of purchaser and no liability will fall to the seller.

Male Guarantees.

All entry of any bull is guaranteed by the seller that the purchase price without interest, expenses, costs, and damages shall be refunded if a bull proves to be either to be totally infertile or incapable of service

General Conditions

Delivery – Each lot at the fall of the hammer, be at the risk of the buyer

Insurance – If transit or annual insurance is required the purchaser is responsible to arrange

Instructions – Buyers must sign all dockets before leaving and have transport arranged.

Transfers – Sellers are responsible for the completion of transfers. No buyer shall be entitled to withhold payments for the delay of transfer information

Cattle for Export – Breed Society must inspect as suitable for Export Certificates. The seller is responsible for the 15% commission payable on all cattle sold for export.

Payment terms – Payment due 14 days after auction date

FOREWORD

The 55th Annual Kiteroa sale will be a spectacular event as usual. The offering the Kite family has put up once again showcases the quality in their breeding programme. The Kiteroa herd has become famous for producing high quality, well producing cows with exceptional conformation. The heifers and calves that are up for auction will be sure to continue this on when they are introduced into their respective herds.

With the major roll back in the NZ indices this year it leaves a lot of Ayrshire cattle in the minus's for both BW and PW. However the Kiteroa herd still has many cows with PW's well into the positives showing just how good their production is. I ask you to have a look at the 3GP's and see how these animals are backed by multiple generations of good production meaning you can buy in confidence that these animals will go on to produce lots on milk solids in your herd.

On behalf of Carrfields and the team at Kiteroa we look forward to welcoming you all on farm for the 55th Annual Kiteroa sale on the 19th of November. It will be a great occasion to catch up with fellow Ayrshire enthusiasts, view the Kiteroa herd and have the opportunity to buy some tremendous Ayrshires heifers, calves or bulls.

We wish you all the best with your purchases and look forward to hearing how they perform in your herd.

Luke Gilbert
The Auctioneers

- *All calves have been DNA'd.*

Pasturing details for sale heifers: The heifers have all been pastured with KITEROA CREAM BUDDY-ET (refer Lot 37), from the 1st October 2025.
