CONDITIONS OF SALE

In accordance with the NZ Stock & Station Association Auction Terms and Conditions, the following general conditions apply to this auction where applicable.

FEMALE GUARANTEES

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specifies a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer. This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
3. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale.
4. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2026, the seller shall refund in full the purchase price direct to the buyer.
6. Yearling heifers sold as unmated are sold with the guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2026, the seller shall refund in full the purchase price direct to the buyer.
7. In the case of a calf or yearling heifer being flushed for embryo transfer, either with or without success, all guarantees become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

GENERAL CONDITIONS

- **Delivery:** At the fall of the hammer, livestock remain the vendors responsibility until delivery is taken. This means once the animal has exited the farm gate and is on-route for delivery, it is now at risk of the purchaser.
- **Insurance:** If transit or annual insurance is required the purchaser is responsible to arrange.
- **Instructions:** Buyers must sign all dockets before leaving and have transport arranged.
- **Transfers:** Sellers are responsible for the completion of transfers. No buyer shall be entitled to withhold payments for the delay of transfer information.
- **Cattle for Export:** Breed Society must inspect as suitable for Export Certificates. The seller is responsible for the 15% commission payable on all cattle sold for export.
- **Payment terms:** Payment due 14 days after auction date.

TRANSPORT OPTIONS

Stock can be delivered from Wellsford Saleyards, 10am Friday October 3rd OR arrangements can be made for direct delivery from the Vendors farm within the days following purchase.

PLEASE NOTE: The Vendor is liable for their stock sold in this sale until the animal has left their property. From leaving the gate onwards, the animal is at risk of the purchaser.

This sale will be hosted by bidr® (www.bidr.co.nz) as a fully online, SEQUENTIAL auction, with the sale being opened at Lot 1 at the specified sale start time, and all bidding occurring online as the sale moves through the catalogue in sequential order.

The closing of bidding on each lot is controlled by the expiry of the countdown timer. All intending purchasers must register on bidr® in advance of the sale date, by visiting the website and using the “sign up” button, adding their contact information and nominating the agency they would like to purchase through an account held with that agency.

The bidr® team is contactable on 0800 TO BIDR (0800 86 2437), or email enquiries@bidr.co.nz for assistance at any point.

Alternatively, contact your local bidr® representative:

Agent Foreword

High Calibre Cows, seldom available on the open market. Originating from the fertile Tomarata Valley, a region celebrated for its high performing dairy cows, these animals exemplify quality and reliability. Hand-selected by respected local dairy farmers, these cows have consistently proven their performance under Northland's unique conditions. Their genetics and adaptability also position them for exceptional productivity in higher-growth environments.

Buyers can proceed with full confidence in the value and potential these cows represent. I wish every successful purchaser the very best with their newest herd additions.

Sincerely, Craig Couling - Carrfields Northland Dairy Co-ordinator

A/C Rajesh:

Purpose bred, spring calved, Jersey OAD 350 cow herd. Herringbone milked, selected solely on production, putting forward their two best production three and four year old cows. Sale cow averages: 2.0Kg/MS, 56,000SCC, BW243, PW410, LW966!
