RURAL WELLNESS CHECK-UPS

Our mobile wellness van travels to various rural communities across New Zealand.

The check-ups are free and are conducted by a registered health professional in our purpose built van, the general wellness check includes blood sugar, cholesterol, blood pressure, body mass index (BMI) and a general health and wellness conversation.

Our registered health professional will provide you with a free confidential personal assessment and offer advice on your general health based on the checks performed. You will be able to take your results to your local GP for a further follow up. Regular health checks not only help identify underlying medical conditions, but they can also guide you to options that speed up the recovery process and help you maintain and improve your overall health and wellbeing.

To book in this free service for an event **Phone:** 021 389 689 or **Email** stacey.mckerchar@carrfields.co.nz

FROM HUMBLE BEGINNINGS TO THE FUTURE OF AGRICULTURE

Our purpose is to support and create value for farmers. As we reflect on the past year, we want to extend our heartfelt gratitude for your continued partnership and support.

Last year, our Carrfields team came together to reflect on the company's history and many of the opportunities and changes coming towards the agriculture sector. This has been a very rewarding and insightful exercise which is shaping our future vision.

Over the coming months you may notice some of the positive advancements we are making. We will be introducing new products, evolving our brand and communications, and applying our forward-thinking innovation and service - to enhance the future of agriculture for generations to come.

We are farmers and a family business, and we're committed to running our business in a way that improves our environment, supports our communities, and empowers our people. May 2026 bring joy, success, and prosperity to you, your loved ones, and your community.

BEST WISHES
The Carr Family
