- **81x Frsn C/O Cows:** BW99, PW112, DTC 20/07 to AI Frsn or Charolais Bulls for 7 weeks.
- **110x Samen Bred Frsn Cows:** DTC mid-July to AI Frsn, tailed with Hereford Bulls. *Genuine spring calvers, not carryovers.

AUCTIONEERS NOTES:

A strong, well-balanced offering of Friesian carryover cows, supported by a quality line of Samen-bred Friesian cows.

The carryover lines are genuine working cows, milked through and mated for spring calving, with a good spread of July/August calvers. The Samen-bred Friesian cows are a genuine line, well managed and mated for spring calving.

All cows are presented in forward condition, fully dry and dry-cow treated. All cows are guaranteed sound and in-calf by the vendor. Profiles to follow.

PAYMENT & DELIVERY TERMS:

- Payment due 14-days after the auction
- Immediate delivery
