WINTER SOLSTICE SALE *AGENT FOREWORD*

I am very excited for the Winter Solstice sale this year and I hope you are too. I must thank the vendors very much for putting up such quality animals and embryos. It is a very exciting catalogue for any genetic enthusiast with all types of genetics featured.

Lets start with the animals-Four breeds are represented, Holstein-Friesians, Jerseys, Milking Shorthorns and Ayrshires all feature and even a couple of really high figured xbreeds. We have a heifer selling that possesses a BW of 468, she sells with an LIC contract on her current pregnancy. We also have a cow selling with a PW of 710 who is out of a cow with a PW of 693 who is out of a cow with a PW of 733. Great to see generations of cows with a high PW.

In addition to this we have multiple animals from imported families-many with Granddams or great granddams with classifications up to Ex 96. Some of the biggest named cows in North America feature in the pedigrees of the animals selling-such as KHW Regiment Apple-Red, Kingsway Sanchez Arangatang and Silvermaple Damion Cammomile to name a few.

Then we have an exceptional line up of embryos for sale. Delta-Lambda embryos strait out of the reigning Grand Champion at New Zealand Dairy event sell. Embryos out of the highest BW Creamer daughter in New Zealand sell. As well as multiple lots of embryos from imported families with plenty of high producing high classified cows in the background. Our last two lots of the catalogue are a pick of the flush out of the Intermediate Champion Ayrshire and All Breeds from New Zealand Dairy event 2026 and some Burdette embryos from the same family as Pukekaraka Elle Delilah.

I think catalogues don't come a lot more exciting than this and I'm sure there is something to suit everyone somewhere throughout the catalogue. If you like high quality genetics then this sale is a great place to start.

Once again a huge thank you to our vendors for putting up such high quality genetics for sale. I hope you can login to BIDR on sale night and make the most of this tremendous sale catalogue.

We wish you all the best with your purchases.
Luke Gilbert, Carrfields Livestock Ltd.

The background of the document is a winter-themed illustration. At the top, there are blue icicles hanging from the top edge. Below them, a dark blue silhouette of a cow is shown grazing. The main title 'WINTER SOLSTICE SALE' is written in a large, bold, serif font, with 'WINTER' and 'SALE' in a lighter blue color and 'SOLSTICE' in a darker blue. Below the title, 'CONDITIONS OF SALE' is written in a bold, serif font. The background features a light blue sky with falling snowflakes and a dark blue forest of evergreen trees at the bottom. A small, white-roofed house is visible in the lower right corner of the forest.

WINTER SOLSTICE SALE CONDITIONS OF SALE

In accordance with the NZ Stock & Station Association Auction Terms and Conditions, the following general conditions apply to this auction where applicable.

FEMALE GUARANTEES

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specifies a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer. This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
3. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale.
4. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2027, the seller shall refund in full the purchase price direct to the buyer.
6. Yearling heifers sold as unmated are sold with the guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2027, the seller shall refund in full the purchase price direct to the buyer.
7. In the case of a calf or yearling heifer being flushed for embryo transfer, either with or without success, all guarantees become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

EMBRYO GUARANTEES & CONDITIONS

1. Embryo transfer and delivery costs to be at the cost of the purchaser
2. Implantation organisation and costs are to be of the purchasers'
3. There is no guarantee to be made on the hold rates of embryos and to no liability of the vendor.

GENERAL CONDITIONS

- Delivery: At the fall of the hammer, livestock remain the vendors responsibility until delivery is taken.
- Insurance: If transit or annual insurance is required the purchaser is responsible to arrange.
- Instructions: Buyers must sign all dockets before leaving and have transport arranged.
- Transfers: Sellers are responsible for the completion of transfers. No buyer shall be entitled to withhold payments for the delay of transfer information.
- Cattle for Export: Breed Society must inspect as suitable for Export Certificates. The seller is responsible for the 15% commission payable on all cattle sold for export.
- Payment terms: Full payment is due 14 days after auction date.

Flare Totie is the Ex. Sister to the Famous Waipiri Mogul Totie Ex.95. Joint highest classified cow in NZ and the highest pointed individual for the Waikato Semex On-Farm Competition 2026. Long line-up of Ex. Cows and been by Bruin's the udder specialist makes this long bodied black heifer pretty special. Talk to Michael Terspra or Stu Lister on their wonderful Totie. Investment and make up your own mind. Lovely heifer.

Waiau SuperV Skylar ET is a very rear chance to purchase a direct daughter of Shepherds Syndy who sold for \$32,000 at the 2019 Shepherds dispersal. She is a maternal sister to the top bull, Allbreeds Kasba Kcarcken (521050) who has a BW of 585/98. This cow will not disappoint with her no nonsense attitude to produce. Calving early so will start a good family for someone.

Great sire stack and strong pedigree behind this deep ribbed calf. Her Lambda Dam went VG87 max and just finished up with 680 KG/ms on her first lactation. Her 2nd and 3rd dam are both still in the herd and performing well. Goes back to Winona Southwind Sugar who was imported from Australia.

Perfect daughter from a sensational young Lambda daughter. Sadly, lost to an injury in the paddock. Definitely VG material and probably in the VG86 2 year old range. The Gold family has been in the Fullerton herds all our lives and continue to perform well today. Typical stylish Perfect daughter, mostly black.

She was calved at 20 months which for some reason her first herd test distorted her PW. Otherwise she's a great milker. She has a great temperament with amazing capacity and udder and is carrying a CRV contract mating! With more projects on farm needing to be done I'm putting up one of my best cows for someone to enjoy.

It took us a while to get into this famous Murribrook family, and how thrilled we are. Three full sisters all VG and super herd cows. Prem calving and a few issues on her first calf but held quickly and milking up a storm this season. Super cow family and embryos by the global superstar "Hinge"

<p>3 x Sexed Lambdas and the choice of 2 x Anahita (sexed) or 2 x Hinge (sexed) A grade embryos. Silvermaple Damion Camomile Ex95 set this family on fire a decade ago at Madison and the Winter Fair. We have three full sisters all VG with Camille Ex.94 been the new star show cow at "Waipiri".</p>		<p>Couldn't ask for a better individual through the Dairy and as is so important at "Waipiri" Cow families are the making of successful and great herds. Our first Panel Cow Ex.94 and we are thrilled for it to be this super Sidekick daughter. Your embryos by Lambda, Anahita or Hinge make a nice package.</p>		<p>BW (\$): -422/94 Lwt BV (kg): 184/80 Protein BV (kg): 9/98 Fertility BV (%): -12.1/95 Fat BV (kg): 13/98 Func Surv BV (%): 0.2/87 Milk BV (ltr): 1217/98 SCC BV: -0.17/97</p>		<p>MISTY SPRINGS LAVANG Oseas HB No: 000009979603/CAN Breed: F F16</p>

Andoras dam is a most attractive cow and was top price at her breeders dispersal. She has given every satisfaction since arriving at Arkan. She was specifically mated to Achievement to see how he would breed over different bloodlines to my herd. Andora is the result of that experiment and not only is she a very stylish heifer but also genomics have improved her figures. She looks well forward incalf to her LIC contract.

This is the first Achievement daughter to come up for public auction in NZ. Despite changes and updates to the BW system, Achievement remains close to the top of daughter proven bulls with a current AE BW of 545.

Due to Calve : **30/07/2026** Bull : **325779**
