FOREWORD

The 56th Annual Kiteroa sale will be a spectacular event as usual. The offering the Kite family has put up once again showcases the quality in their breeding programme. The Kiteroa herd has become famous for producing high quality, well producing cows with exceptional conformation. The heifers and calves that are up for auction will be sure to continue this on when they are introduced into their respective herds.

With the major roll back in the NZ indices this year it leaves a lot of Ayrshire cattle in the minus's for both BW and PW. However the Kiteroa herd still has many cows with PW's well into the positives showing just how good their production is. I ask you to have a look at the 3GP's and see how these animals are backed by multiple generations of good production meaning you can buy in confidence that these animals will go on to produce lots on milk solids in your herd.

On behalf of Carrfields and the team at Kiteroa we look forward to welcoming you all on farm for the 56th Annual Kiteroa sale on the 18th of November. It will be a great occasion to catch up with fellow Ayrshire enthusiasts, view the Kiteroa herd and have the opportunity to buy some tremendous Ayrshires heifers, calves or bulls.

We wish you all the best with your purchases and look forward to hearing how they perform in your herd.

A very rare opportunity to buy a Rage son, as only sexed semen was used. Sassi is an outstanding all-round cow.
A great purchase from Brookview.
